

## Combined BA/BS/MD Programs for High School Applicants

You can apply to these combined programs as a high school student and get guaranteed admission to medical school. To keep the offer valid, you'll have to take required courses and maintain a certain GPA. Despite your guaranteed admission to medical school, you **might still have to take the MCAT** for some of these BA/MD or BS/MD programs.

School	# Years of Program(s)
<a href="#"><u>Albany Medical College</u></a>	7 or 8
<a href="#"><u>Baylor College of Medicine</u></a>	8
<a href="#"><u>Boston University School of Medicine</u></a>	7 or 8
